INDIVIDUAL MACHINES
FOR THE WORKING
PLACE.

The desktside shredder is ideal for the individual work place, or with higher paper volume, for small offices. Small in size, but large on performance, they do their work with EBA reliability.

CLASSIC EDITION

Ideal for one
or more users:
These shredders
from EBA with
a waste container
of 25 – 34 litres
meet many demands.

EBA

Easy to operate, simple removal of shredded paper, high performance:
Using the models EBA 1124, 1224 and 1226 makes wastepaper baskets unnecessary.

Common Features:

Automatic start/stop photoelectric-beam control, automatic stop if the shred bag is full, high-quality cabinet with electric door switch, environmentally-friendly permanent plastic bag for shreds, double motor protection, sturdy steel cutting-mechanism that swallows paper clips (exception: micro cut 0,8 x 12 mm), straight cut or cross cut.
