POWERFUL: DOCUMENT
SHREDDING ON A LARGE
SCALE – MADE EASY

Machines for the whole department. With high sheet capacity and user-friendliness they are especially designed for use by many people. Attractive prices too.

Queuing for the shredder is passé. These machines are just so quick.

Wherever many people work together a lot of paper is produced. That is precisely why the reliable destruction of important data is a challenge for technology. Today, more than ever before.

Common Features:

Automatic start/stop photoelectric-beam control, automatic stop if the shred bag is full, high-quality cabinet with electric door switch, plastic bag supports for disposable plastic bags, double motor protection, sturdy steel cutting mechanism which swallows paper clips (exception: micro cut 0,8 x 12 mm), straight cut or cross cut.

EBA 2126 S EBA 2126 C

Power and performance for high capacity. Easy to use.

- powerful 580 watt motor
- modern keypad with visual indicators for operational status
- automatic reverse in case of paper jam with automatic cut-off
- manual start/stop/reverse button
- sturdy base cabinet on castors

EBA 2126 S Classic EBA 2126 C Classic

Perfect in efficiency and design.

- product features identical to EBA 2126 S and 2126 C in the cutting versions 4 mm straight cut and 4 x 40 mm cross cut
- attractive colours in black/silver

EBA 2226 S EBA 2226 C

Exceptional power and speed: Unbeatable in its class.

- powerful 640 watt motor for continuous operation
- high speed - 0,12 m/s
- modern keypad with visual indicators for operating status
- automatic reverse in case of paper jam with automatic cut-off
- manual start/stop/reverse button
- sturdy base cabinet on castors
