

DATA PROTECTION  
- IN A BIG WAY -  
WITH COMPACT  
MACHINES.

*Even small offices or home-offices produce confidential data, credit card receipts, insurance offers, letters, uncorrected documents, private business memos, all documents that cannot be just thrown away.*

*Help comes from the high-quality, up to date Personal Shredders from EBA.*

*The sturdy steel cutting-mechanism even swallows paper clips, is easy to operate and is attractively designed as well as attractively priced.*

First choice:  
EBA 1122 S or 1122 C with easy  
shredded paper removal,  
automatic start/stop  
photoelectric-beam control,  
in straight cut or  
cross cut versions

Only the size is small, the rest is enormous. The "personal shredders" from EBA offer much of what the higher range can – high-technology, user-friendliness, quality, ultra-long service life and ageless design.

**Common Features:**

All models are fitted with a very quiet motor, double motor protection and a sturdy steel cutting-mechanism that swallows paper clips.
